Home Address

35 Picket Lane
Centereach, NY 11720
760.808.2557

School Address

Stony Brook School of Medicine
101 Nicolls Road, Stony Brook, NY 11794
631.444.4000

Education

2009 — Present Stony Brook University School of Medicine. M.D. June 2013 (*anticipated*)
2004 — 2008 UC Berkeley. BA, Molecular & Cell Biology

Honors & Awards

2011 Chosen by peers and faculty as one of the 10 medical students in the class of 2013 to serve on the Admissions Committee
2012 Chosen by peers and faculty as nominee for induction into Gold Foundation Humanism Honor Society

Work Experience

2008 — 2009 UCSF, Staff Research Assistant, San Francisco, CA
- Designed and executed protocols for effects of cocaine and citalopram on circadian rhythm and daily activity of C57bl/6 mice
- Breeder and caretaker of colonies of C57bl mice
2008 — 2009 Berkeley Free Clinic, Clinic Coordinator, Berkeley, CA
- Coordinate the training of new counselors, maintain and negotiate contracts with the City of Berkeley, and corroborate with other sections in the clinic.

Research Experience

2005 OHSU, Dept. of Biochemistry and Molecular Biology, Mu-Shui Dai, MD; "Cellular localization of L11 and its role in regulation of p53 and c-Myc."
- Constructed plasmids encoding GFP-fusion L11 protein and its mutants
- Performed experiments to delineate the relationship between L11 with P53 and c-Myc
2004—2005 UC Berkeley, Dept. of Neuroscience, Jacobs Lab, PhD; "Murine models of sex differences in spatial navigation."
- Performed neurobehavioral experiments delineating murine sex differences in spatial navigation focusing on the CA1 and CA3 areas of the hippocampus.
2003 OHSU, Department of Neuroscience, Robert Stackman, PhD; "SK channel regulation of hippocampal function."
- Performed experiments showing the role of the amygdala in fear condition in mice and experiments involving SK channel regulation of hippocampal function

Presentations & Conferences

2012 Mid-Atlantic Medical Student Symposium in Baltimore, Maryland
2012 Gold Foundation Humanism Honor Society Biennial Conference in Chicago, Oct 2012
2003 Stackman, Robert, Role of amygdala in fear conditioning. Apprenticeship in Science and Engineering Meeting; Portland, OR.

Teaching Experience

- 2012 Coordinator/Founder, HIV Prevention and Counseling, Stony Brook School of Medicine Course Director: Dr. Wackett
- Founded this course to educate future doctors to counsel patients who are offered HIV testing.
- 2007 — 2009 Member of Teaching Crew, Berkeley Free Clinic
- Designed and taught lesson plans for HIV counselor training.

Community Service

- 2009 — Present Volunteer, Stony Brook Health Outreach and Medical Education, Stony Brook School of Medicine
- As a preclinical student, obtained vitals and chief complaints and triaged patients based on their presenting condition.
 - As a clinical student, obtain history and physical and presented patient with assessment and plan to attending.
- 2010 — Present Steering Committee Member, Stony Brook Health Outreach and Medical Education, Stony Brook School of Medicine
- Organize and manage clinic sessions and oversee general flow of clinic
 - Manage continuity of patient care
 - Organize transition from paper records to EMR
- 2010 — Present Electorate Board member, Student National Medical Association, Stony Brook School of Medicine
- Coordinator of STOP (STI Outreach Program). Coordinate the training of medical students to teach HIV education to underserved schools on Long Island.
- 2006 — 2009 HIV Counselor, Berkeley Free Clinic, Berkeley, CA
- Assessed patients' HIV risk and helped them to find risk reduction methods. Counseled and provided referrals for patient's psychological, emotional, and physical needs.
- 2007 — 2009 Billing Coordinator, Berkeley Free Clinic, Berkeley, CA
- Designed new billing system to maintain records of HIV testing expenditure. Coordinate billing transactions between the clinic and the City of Berkeley as well as organize intra-clinic records.
- 2006 — 2007 Physical Therapist Helper, Special Needs Aquatics Program, Berkeley, CA
- Helped physically and mentally disabled children acquire physical strength and agility by using aquatic exercises.
- 2005 Volunteer, Suitcase Clinic, Berkeley CA
- Helped homeless patients with foot care and referrals for basic necessities

Professional Memberships

- 2012 — Present American College of Emergency Physicians
- 2012 — Present Emergency Medicine Residents' Association
- 2009 — Present American Medical Association
- 2009 — Present The Medical Society of the State of New York

Hobbies & Interests

- Fluent in mandarin
- Dancing: performed in Evening of Arts and Asian Extravaganza 2009-2011
- Playing piano
- Sketching: sketched design on wedding invitation
- Cooking
- Hiking with my dogs
